

THE NEWS IN OGDEN.

A Fight Between a Cop and a Fanatic.

A MEETING OF THE BOAT CLUB.

Sunday School Missionary Appointments—
The New Methodist University—The
Clerks Want Shorter Hours.SALT LAKE HERALD BUREAU,
No. 3421, WASHINGTON AVENUE,
OGDEN, June 29, 1889.Yesterday was cloudy; plenty of dust,
but no rain.Ogden river is at a lower point than it
has been known for years past.The proposed military school is already
the subject of conversation on the streets.An agitation is on foot for the opening
of a new street, between Twenty-second
and Twenty-third streets.The foundations for the new Methodist
church on Twenty-fourth street hill are
being pushed rapidly forward.Complaints are reaching Ogden that unless
a change takes place many of the
crops will suffer for want of rain.A meeting will be held at the Lynde
schoolhouse on the 5th day of July for the
purpose of electing a trustee, etc.There is a report current that the brewery
immediately north of Ogden bridge is to
be at once put in working condition and
business resumed.The city hall lawn, gardeners swear by
James that the front of the building, the
pride of Ogden, shall be far ahead of any
similar lawn in Utah.House rents are still on the ascendancy,
cries Materfamilias, as she planks down
\$17 for a residence that two years ago was
estimated to be of the value of \$9.Genial Sam Browning, (crutches and
all) was seen on the streets yesterday. He
is going nicely towards convalescence, and
gives a knowing-like wink of his left
"eggler" when he is mentioned.When you have got a cow that gives good
milk and meets your requirements generally,
whatever her breed may be, stick to
her. Such is the advice given yesterday
by a farmer from Cache valley, and he is
"up to a thing or two."The clerks of Ogden announce that they
will hold a meeting on Sunday, at 4 o'clock
p.m., at the store of Wallace & Tavey,
Washington avenue, for the purpose of
considering the earlier closing of the
various retail stores.Aquatics.
At the Denver & Rio Grande express
office the Ogden rowing club, under the
presidency of John A. Boyie, Esq., held a
meeting on Thursday evening.After the reports of the different com-
mittees had been read and accepted, it was
decided to organize an excursion to Lake
Park on July 17.A committee was appointed to carry out
the same, consisting of A. G. Graham, S. S.
Olson and J. R. Smith.Arrangements will be made if possible,
for a baseball match between the Ogden
and Salt Lake nines, and also a match be-
tween the shooting clubs.The aquatics, sailing-boat manipulators
of "No. 1" and "No. 2" intend their
excursion to be second to none, so that all
lovers of a day's "outing" added to the
pleasure of seeing the muscular develop-
ment of Ogden's aspirants to boating fame,
need not be afraid of having a good return
for their money. The boys are in earnest;
then rally round them, that's what we say.A Street Scorch.
Yesterday about noon, a scorch was
heard on the corner of Twenty-fifth street
and Washington avenue. On hearing the
point where the sound came from, a crowd
of people were found to have congregated
watching a tussle between a man supposed
to be a religious fanatic and a member of
the "pol" force. It seems that the antics
of the "fanatic" were of such a nature
as to call for the interference of the repre-
sentative of the majesty of the law. This
interference by the policeman not being
fully appreciated, Mr. Fanatic launched
out straight from the shoulder, at John L.
Sullivan, and succeeded in landing one or
two "stings" on the nose of the man in
uniform, who drew his shoulder.
Fortunately the pistol proved to be out of
order, or the probability is the unfortunate
crayon would have been seriously in-
jured, if not shot into death. The man
was eventually "overcome" and marched off
to the city jail.Appointments.

Will you heed the warning? The signal
perhaps of the sure approach of that
more terrible disease consumption? Ask
yourself if you can afford to run the
risk and do nothing for it. You
know from experience that Shilo's Cure
will cure your cough. It never fails. This
explains why more than a million bottles
were sold the past year. It relieves croup and
whooping cough at once. Mothers, do not
be without it. For lame back, side or chest,
use Shilo's Poreous Plaster. Sold by A. C.
Smith & Co.A Woman's Discovery.
"Another wonderful discovery has been
made and that too by a lady in this county.
Disease fastened its claws upon her and for
seven years she withstood its severest
tests, but her vital organs were under-
mined and death seemed imminent. For
three months she coughed incessantly and
could not sleep. She bought of us a bottle
of Dr. J. C. Smith's New Discovery for Consump-
tion and was so much relieved on taking
first dose that she slept all night and with
one bottle has been miraculously cured.
Her name is Mrs. Luther Latz. This
